Veritas Foundation Accredited by National Financial Accountability Organization

SAMMAMISH, WA – The ECFA (Evangelical Council for Financial Accountability) announced today the accreditation of Veritas Foundation of Sammamish, WA.

ECFA accreditation is based on the [ECFA Seven Standards of Responsible Stewardship™](#), including financial accountability, transparency, sound board governance and ethical fundraising.

[Veritas Foundation](#) joins a growing number of Christ-centered churches and ministries across America, supported by over 14.6 million donors that have earned the right to display the ECFA seal. When an organization is accredited by ECFA, it demonstrates its willingness to follow the model of biblical accountability.

“We are pleased to accredit a ministry committed to champion for the life and rights of the needy and impoverished around the world,” said Michael Martin, president of ECFA.

Founded in 2019, Veritas Foundation (<https://veritas-foundation.com/>) gives a voice to those who cannot speak for themselves and marshal resources to support their brothers and sisters in need. They are an advocate for basic human rights, education, healthcare, training, and development to empower those they serve to become self-sustaining leaders and to grow in their relationship with God.
